1. The Applicants should file a formal request to enter the amendment filed on January 14, 2004. The present Office Action will be based on the amendment filed on June 16, 2004.
2. Claims 13-17, 51-69, 71-75 and 77-82 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

Figs. 12A, 12B and 13A to 16E and the written specification (page 28, lines 13-17) disclose a protective film 306 made of silicon oxide is in direct contact with the side surfaces of the second conductive layer [352, 372]. The specification never discloses the interlayer insulating film is in direct contact with at least side surfaces of the second conductive layer as claimed in claims 13, 51, 55, 60 and 64.

3. Applicant's arguments with respect to claims 13-17, 51-69, 71-75 and 77-82 have been considered but are moot in view of the new ground(s) of rejection.
4. Claims 46-50, 70 and 76 are allowed.
5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
